World Stop TB Day Update

March 2007

Dear Melanie

World Stop TB Day - getting the message out

Just in case you didn't know, **World Stop TB Day is coming up on 24th March**. Events will be taking place nationwide to raise awareness of TB. Read all about TB Alert's new awareness raising materials in our latest newsletter ([click here for on-line version](#) if you didn't receive one in the post). All paid for by a corporate supporter, these materials will help us to reach over 100,000 people with information about the signs and symptoms of TB.

Not only that but the work of our Awareness Officer and Volunteer Patient Advocates has resulted in Media coverage in the Metro, Express, News of the World, GMTV, Channel 5 News, Pick me Up Magazine and local papers in Brighton and Ealing - reaching millions of people with the message that while people should not panic about TB, patients and Doctors must THINK TB when the symptoms occur. [Click here](#) to look at just a very small sample of press clippings from the last few months.

Do one small thing for World TB Day

Special offer for World Stop TB Day - get a NO-OBLIGATION QUOTE and raise £1 for TB Alert. TB ALERT recently became a member of [GiveSure](#), *Insurance with a Conscience*. As a supporter of TB ALERT if you visit [TB Alert Quote Page](#) from today up until 24th March 2007 and get an on-line NO OBLIGATION quote for your car insurance you will raise a £1 donation in support of WORLD TB ALERT DAY. This will only take a few minutes of your time and you never know you might save yourself some money.

The small but important stuff: You will need to submit your name, insurance requirements and your contact details including your email address. The page asks you when your insurance renewal date is, and GiveSure will send you a NO OBLIGATION email reminder 2 weeks prior to your insurance renewal date to remind you to consider GiveSure for a quote on your Insurance. Your information will be treated in the strictest confidence and at no time will be passed to any third party - the ONLY correspondence you will receive from GiveSure is an email response to confirm that your donation has been made and a no-obligation email reminder 2 weeks prior to your insurance renewal date to remind you to consider GiveSure for a quote on your Insurance.

EACH ON-LINE QUOTE MADE FROM NOW UNTIL MIDNIGHT ON MARCH 24TH 2007 (WORLD STOP TB DAY) WILL RAISE £1 FOR TB ALERT.
