

TB Alert Anniversary Appeal gift form

TB cannot be eradicated overnight, but our work over the last ten years has saved many lives. Please make a special anniversary gift to help us plan for an even greater impact on this killer disease over the next decade. We do understand that Christmas is an expensive time of year – you may find it easier to spread the cost of your donation over the year by setting up a standing order. We are not able to remove from this mailing any supporters who have recently given or already have a standing order, so please accept our apologies (and grateful thanks) if this reaches you after a recent gift. Thank you for your support.
